...the month gone by

## Welcome Back to School

As the Principal of this esteemed institute, I am excited to welcome you all to our community. We are excited to have you join our family of dedicated educators, enthusiastic students, and supportive parents. We are committed to provide excellent child care and high quality education needs that meet the diverse needs of our students. As we embark on our new academic year, I encourage you to stay involved and become an active participant in our school community.

## Special Events

Reading week was conducted from June 24 – June 28. With this we hope to increase children's access to books and create an encouraging and inviting atmosphere for families to have even more opportunities to read together during their daily routines.

# June Events

June was a busy month with a lot of events being celebrated. Children celebrated World Environment Day on the reopening day where simple and engaging activities were conducted for students to teach more about their planet Earth and nature. Our lovely kindergartners sang songs and made cards for Fathers Day, engaged in some fun yoga on International Yoga Day and had lots of fun exploring mud on Mud Day.
